Please contact Glenda if you have further questions at [glenda@jeepjam.com](mailto:glenda@jeepjam.com) or 530-333-4777 ext. 12.

## WHAT TO BRING

- **CB radio highly recommended! Please see below.**
- Basic tool kit recommended!
- First aid kit recommended!
- Tire gauge recommended!
- Ice chest full of your favorite non-alcoholic beverages.
- **Full tank of gas prior to General Attendance Meeting!**

### ***We HIGHLY recommend that you bring a CB radio!***

There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is important for each vehicle to have a CB radio in their vehicle. You will also enjoy being able to participate in “trail chatter” with trail guides and your trail leader. Learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories. Cobra brand handheld CB's work well if you don't want to permanently install a CB.

Other important items to consider bringing are: drinking water, trail snacks, chair or blanket for lunch stops, camera/video camera, binoculars, insect repellent, sun block, hat, hiking boots, toiletries, flashlight, medications, toilet paper and zip-lock bags for tissue disposal, hand sanitizer, rain jacket and warm clothing.

## TRAIL USAGE AND INFORMATION

### **WATER CROSSINGS**

We may have water crossings and water holes. Many of these crossings and holes offer a bypass if you decide to “go around”. It is very **IMPORTANT** to watch and listen to your trail guide. Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, **GO VERY SLOW!** If your engine gets wet and stalls, **DO NOT** try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of “Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving”.

### **A NOTE ON LAND USAGE**

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Friday and Saturday trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

### **PLEASE TREAD LIGHTLY!**

**Travel responsibly** on designated roads and trails or in permitted areas.

**Respect the rights** of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

**Educate yourself** by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

**Avoid sensitive areas** such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

**Do your part** by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

## TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to inspection prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

**1-2 Obstacles and terrain are relatively easy to navigate.** In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

**3-5 Moderately demanding.** Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

**6-7 Demanding.** Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

**8-9 Very demanding.** Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

**10 Extremely demanding.** Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

DURING REGISTRATION PARTICIPANTS WILL HAVE THE OPPORTUNITY TO DISCUSS THE TRAILS, THEIR DRIVING EXPERIENCE AND VEHICLE CAPABILITIES WITH THE TRAIL GUIDES. GUIDES WILL WORK WITH PARTICIPANTS FOR TRAIL PLACEMENT.

## TRAIL GROUP SELECTION

Registration and group selection will be held at the Big Bear Lake Elks Lodge. JJUSA staff members, group leaders and trail guides will be on hand to answer any questions you may have concerning the selection of groups, available trails, your Jeep, vehicle capabilities and general events of the Jamboree.

When you first enter the Elks Lodge lot, you will be directed to a vehicle check. Your Jeep must be quickly checked before you make your group selection. We will look for required equipment on all Jeeps and recommended equipment for the Modified and Super-Modified groups.

Mechanics from Don-A-Vee Jeep will be on-hand to assist with mechanical support at no charge with disconnect/reconnect sway bars, running board removal and advice. For a fee which will be determined on-site, they will install accessories and aftermarket parts. If you "air down" during the event, please be sure to air up on either Saturday night or Sunday morning. Air facilities are limited in Big Bear.

Each driver will have the opportunity to select from a number of trails with diverse terrain during the Big Bear

Jeep Jamboree. Trail and group selection is based on individual vehicle capabilities and specifications, not driver experience.

## **A MESSAGE FROM YOUR TRIP COORDINATOR**

The Big Bear Lake area is located in the San Bernardino National Forest, approximately 100 miles east of Los Angeles. The San Bernardino Mountains form the highest range in Southern California, and present a rugged barrier between the Mojave Desert and the Los Angeles Basin.

The Big Bear Jeep Jamboree will provide trails for experienced four-wheelers who seek the adventure of rugged off-highway driving in secluded pine forests and quiet streams. The Big Bear Jeep Jamboree also provides less demanding trails for four-wheelers who want to experience the grandeur of the scenic beauty at elevations reaching 8,000'. (Please note that there will be approximately a 30 minute drive on highways and gravel roads in order to access trails.)

Some groups will travel to the high desert area to a hidden stream abounded by spring flowers in full bloom at a notorious area called Horse Thief Flats.

At trails end, you will find the Big Bear Lake Elks Lodge is where you'll rest your Jeeps, enjoy great food, entertainment and camaraderie. For shoppers, you will find Big Bear Village is a must for your Big Bear adventure. From gift shops to wine tasting to a carriage ride...it is a must see!!!

## **FREQUENTLY ASKED QUESTIONS**

### **WHO CAN I BRING?**

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4 and have completed registration, waiver and payment. Bringing pets is **strongly** discouraged. If your pet must attend, be sure to contact the Jeep Jamboree USA office for specific requirements.

### **WHERE DO I SLEEP ON A JEEP JAMBOREE?**

Participants are responsible for arranging their own lodging. Included in this itinerary is a list of nearby accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

### **WHAT DOES THE JAMBOREE COVER?**

Lodging is not included with your registration fee. Your fee covers all necessary permits, experienced guides for the entire trip and breakfast, lunch and dinner on Friday and Saturday. NOTE: Meals vary. Regrettably, no accommodations can be made for dietary restrictions. Your Jeep Jamboree will offer you access to some of the finest trails in America — several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes. Sorry, no partial trips are offered and no spectators are allowed. All participants must be officially registered.

### **CAN I BRING MY JEEP LIBERTY, CHEROKEE, COMPASS, PATRIOT, GRAND CHEROKEE, OR COMMANDER?**

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Vehicles without 4-LO may **ONLY** use trails rated 1-2. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

### **COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?**

Every effort is made by Jeep® Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow the instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of receiving damage to your vehicle.

### **WHAT TO EXPECT**

You will travel over rough terrain. Any damage is the owner's responsibility. Remember, Jamborees with higher numerical difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Weather conditions may also increase the trail rating difficulty.

## **JEEP JAMBOREE USA POLICIES**

We realize that unexpected events such as **work conflicts, mechanical problems and illnesses** may cause you to cancel your trip. However, we have many business partners that we pay deposits based on a preliminary participant count, therefore in order to limit the impact of cancellations the following penalties apply to your refund should you choose to cancel:

<u>Days Prior to Trip Date</u>	<u>Penalty</u>
Reservation to 21 days	\$35
20 days to 8 days	50%
7 days to 1 day	80%

If you purchase JJUSA merchandise at the event, please be aware that we can accept payment by check or cash only; sorry no credit cards!

### **NO C.O.D.S**

Please note that all registrations must be paid in advance.

## **NO PARTIAL DAYS OR MEALS ONLY REGISTRATIONS**

Registrations are for the SAME person (driver or passengers) for BOTH days. Passengers may not be swapped; i.e. one person on one day; another person another day. We base our nametags, meals and waivers on the same person for both days. We do not permit partial (one-day only) registrations (no refunds are given for days not used), nor do we sell a “meals only” option for those who are not on the trail but wish to join participants for meals.
