A MESSAGE FROM YOUR KILLBUCK COORDINATORS

Thank you for choosing the Killbuck Ohio Jamboree. We are excited to show you this part of Ohio with beautiful countryside, rolling hills, and natural rocky terrain. It takes place on ~1000 acres of private land that will provide fun and challenges for all levels. Everything from creeks, mud, off-camber and some big rocks to play on. You won't find terrain like this anywhere close. You will most likely pass a horse and buggy some time during the weekend.

Come down early and explore the area. There is a lot to do from visiting Amish furniture stores, seeing some old covered bridges, scenic overlooks at nearby parks, wineries and much more.

SHARE-A-CHRISTMAS The Killbuck Trail Guides support the Holmes County Share-A-Christmas. If you would like to help out, please consider bringing a new, in-the-box toy for the toy drive for the kids.

BEFORE YOU GO

REQUIRED

Missing any of these means you are turned away at registration, without a refund.

- Tow points: frame-mounted tow hooks with grade 6 or 8 bolts, draw bars and receiver hitches, or aftermarket bumpers with a manufacturer-installed clevis or D-ring.
- A working GMRS-compatible radio. Guides call out upcoming obstacles, plus local history and wildlife.
- A full-size spare tire.
- Seat belts for all occupants, worn on the trail.
- Street legal, registered and insured, with a license plate.
- STRICTLY ENFORCED Tires no larger than 40". Suspension lift no more than 6". No exceptions.
- Roll bars on all open-topped vehicles, including CJs, Scramblers and Willys.
- A rated tree saver and soft shackle if you run a winch.
- No buggy-style Jeeps and no snowplow frames.

PACK LIST

Bring these with you — for registration, and for the trail.

- Signed waiver for every occupant; a parent or legal guardian signs for passengers under 18.
- Photo ID for the driver of record — the name must match the registration.
- Name badge, worn all weekend. It is your admission to trails and meals.
- Basic tool kit, first aid kit, tire gauge, rain jacket, clothing for all conditions.
- An ice chest of non-alcoholic drinks. Stay hydrated.
- Trail snacks and a chair or blanket for the lunch stop.
- Insect repellent, sun block, medications, hand sanitizer, flashlight, camera, binoculars.
- Toilet paper and zip-lock bags for tissue disposal.

Recommended: a tow strap with looped ends (metal hooks are not allowed), a fire extinguisher and first aid kit. Consider removing running boards and steps for higher-rated trails. Questions about your Jeep? Contact your Adventure Consultant before the event.

KNOW BEFORE YOU GO

- Registrations, and adding, deleting or changing passengers, close 14 days before the event.
- Check a 10-day forecast for every location listed here; conditions differ sharply between them.
- Drones require permission from your trail guides, and many landowners and agencies prohibit them outright.
- Alcohol and non-prescription drugs on the trail mean immediate expulsion without a refund.
- Pets are strongly discouraged; a pet waiver is required at registration.
- Trail access may be granted to guided Jamboree groups only — returning on your own violates our land use agreements.

TRAIL RATING SYSTEM

1–2

Relatively easy terrain. In optimum conditions some trails may not require continual use of 4WD.

3–5

Moderately demanding; a challenge for novice drivers. Mud holes, boulders, streams. Requires 4-LO.

6–7

Demanding at most skill levels. Deeper mud, larger boulders, steeper climbs. Requires 4-LO.

8–9

Very demanding. Getting stuck is likely and rock climbing is arduous. Lifts and lockers help.

Ratings describe the overall trail, not one or two tough spots. Rain, even from days prior, can raise a rating one or two points, especially on street tires. All vehicles are subject to a check before trail departure, and higher-rated trails are more likely to result in vehicle damage. When in doubt, ask a guide.
